

ABSORB ALL, LLC

"Creating a **Cleaner** & **Greener** Environment"

ABSORB-ALL ABSORBENT

Waterless Concrete & Asphalt Cleaner

All-Purpose Absorbent

Non-Hazardous

100% Natural Rock

Absorbs 15 Times More Than Clay

Reusable Until Clumpy or Black

Biodegradable

Absorb-All Absorbent is the most effective absorbent on the market. Spills are absorbed instantly so there is no wasted time waiting for the liquid to be absorbed. Liquids are solidified on contact, allowing you to just simply sweep them away, leaving floors clean, dry and non-slippery. Once a liquid is encapsulated in our absorbent it will not leach out.

Absorb-All Absorbent is a lot more effective than traditional absorbents such as clay based absorbents. In fact, our Absorb-All Absorbent absorbs 15 times more liquid than absorbents made out of clay. Our absorbent is also extremely lightweight (it is 5 times lighter than clay based absorbents) making it easy to handle and saving you a lot of money on disposal costs.

ABSORB-ALL CAN BE USED ON:

- Oil spills
- Anti-freeze
- Gasoline
- Diesel fuel
- Cooking Grease
- Spilt beverages
- Paint Spills
- Chemical spills
- Blood
- Urine
- Vomit
- Human and animal wastes
- Lubricants
- Pesticides
- Herbicides
- Eliminates danger when cleaning up spills from broken glass bottles.
- Eliminates slip and fall hazards

ABSORB-ALL ELIMINATES:

- Danger when cleaning up spills from broken glass bottles
- Slip & fall hazards
- 90% of all noxious odors
- Fire hazards by snuffing out

ABSORB-ALL CAN BE USED ALMOST ANYWHERE:

- Garages
- Driveways
- Parking areas
- Concrete walkways
- Patios
- Trash bin areas
- Kitchens (FDA & USDA Approved)
- Restaurants
- Fleet/utility vehicles
- Schools
- Hospitals

ACCIDENT SITE CLEAN UP:

This highly absorbent compound efficiently soaks up and holds on to liquids instantly upon contact. Dangerous liquids are easily controlled with ABSORB-ALL leaving a clean & dry surface behind.

CAUTION:

Not recommended for use on Hydrofluoric Acid. In case of eye contact flush with water. High amounts of inhalation with any nuisance dust over a long period of time may overload lung clearance mechanism and make lungs more vulnerable to respiratory disease.

Keep out of reach of children.

ABSORB-ALL is environmentally safe and in compliance with EPA, USDA, OSHA, & FDA regulations

Hazardous material should be disposed according to local, state, and federal regulations.
