GREASE GOBBLER

by **ABSORB ALL, LLC**

Environmentally Safe

300 Million Bacterium Per Gallon

Non-Hazardous

USDA Approved

Non-Flammable

Absorb-All's Grease Gobbler is the environmentally friendly solution to problem build ups of grease, fats, oils and odors associated with troublesome organic wastes. Grease Gobbler is a new biological breakthrough that contains no harsh or hazardous chemicals that are usually associated with grease and oil cleaning products. Just pour Grease Gobbler in your drain and the grease-gobbling bacteria will eat their way through all organic build ups, opening your drain and ridding yourself of noxious odors.

GREASE GOBBLER CAN BE USED ON:

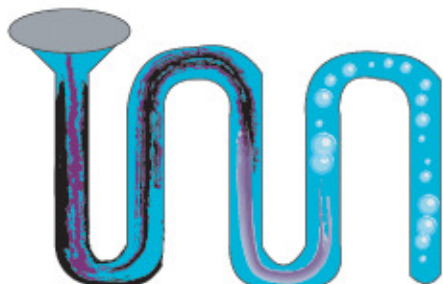

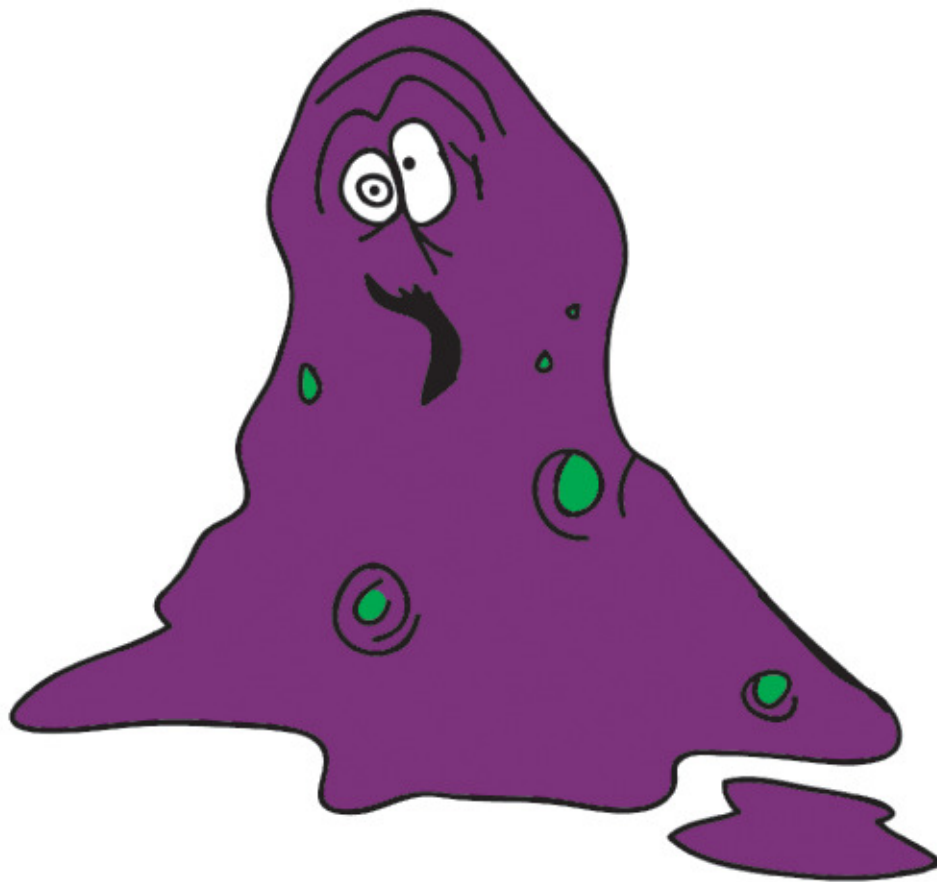

- Drains
- Grease Traps
- Septic Tanks
- Drain Lines
- Holding Tanks

GREASE GOBBLER ELIMINATES:

- Clogged Drains
- Gnats & Other Pests
- Noxious Odoors
- Fire Hazards by Removing Grease

GREASE GOBBLER CAN BE USED AT:

- Garages
- Kitchens
- Restaurants
- Schools
- Hospitals

Grease Free Drains!

ABSORB-ALL is environmentally safe and in compliance with EPA & OSHA regulations
